

The Magic Dragon is a multicultural early childhood enrichment program established as a cornerstone of the Asian American Cultural Center.

It is designed with an Asian enrichment component incorporating the five guiding principles of the Chinese philosophy of balanced life:

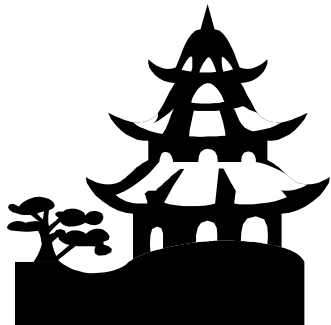

Compassion
 Wisdom
 Wellness
 Team Building
 Beauty

Our mission is to foster these principles in our children through our daily planned culturally rich learning activities and by the example set by educators and staff members.

We invite you to join our unique blend of cultures as we strive to provide our children with the building blocks needed to become fulfilled, confident and competent adults.

If you and your child are ready to join the fun and have an experience of a lifetime, call or come by for registration information. Office hours are 8:30 a.m. to 5:30 p.m., Monday through Friday. You may visit our website:
