### **Welcoming and Celebrating**

The Arrival of the “Year of the Water Tiger”

**This is the Year to be Brave and Visionary**

We have prepared over 20 links of various Asian dance and music performances to help celebrate the arrival of this Water Tiger. We are gladly put the challenging and unpredictable year of 2021 and the “Year of the Golden Ox” behind us and welcoming the brave and visionary Water Tiger with our resiliency and wise strategic planning.

**We shall rebuild our Health & Joy with the strength of  
the brave and visionary  
Water Tiger**

Tigers are brave and visionary. You will often see them on the mountain top with their den assessing, planning and facing the challenges with brave and strategic strength. We are looking forward to facing and celebrating this New Year together with our collective resiliency to achieve our personal and community interests.
